Membership Application Form (Fillable)

PLACEHOLDER DOCUMENT

This file is a placeholder for an offline, fillable PDF version of the membership application.

The live registration and payment flow is the Townscript booking link referenced on the Become a Member page. This file exists for an offline / postal alternative — replace it with your own fillable PDF (the one created in a separate chat, if you have it) using this exact filename, or point build.py's MEMBERSHIP_FORM_PDF constant at a different one.
